

YOUTH BE HEARD FUNDRAISER FOR THE YEMEN CRISIS

Yemeni civilians have been suffering since serious conflict began over 6 year ago during the month of March in 2015. COVID-19 has additionally exasperated the country's crisis with an excruciating lack of essential equipment and countless closures of schools and hospitals. One of our goals is to help elevate the suffering that the Yemeni people are experiencing through a fundraiser/walkathon.

YBH YEMEN CRISIS FACT SHEET

Approximately **11.3** million children in Yemen require humanitarian assistance

There are about **1.6** million Yemeni children who are internally displaced

There is a minimum of **2** million children in Yemen who are out of school due to COVID-19

The Yemeni Crisis has negatively impacted **21** million people million people.

It is projected that 2.3 million Yemeni children (under the age of five) will suffer from acute malnutrition in 2021.

YBH Fundraiser Walkathon

The Youth Be Heard team is hosting a fundraiser/walkathon in support of Yemen's vulnerable children and families.

In honour of this event, the YBH team challenges each person who donates to join us in walking 1 cm for each displaced child on October 2nd.

The money donated will help UNICEF reach their goals of aiding:

- 275,000 malnourished children with critical life-saving supplies and care
- 5 million people with safe and clean water to stop the spread of life-threatening diseases
- Nearly 1 million children with vaccines and healthcare
- 9 million people with emergency cash assistance to help families buy basic commodities so they can survive
